## Archibald Kindness Challenge

At the start of term all pupils attended our ‘Welcome back’ assemblies. Teachers shared all the exciting learning journeys that pupils will be engaging with throughout the term. They shared the books they will be reading, the writing tasks they will complete, the geography, art, DT and RE themes they will be working on and any visits that are planned.

At the end of the assembly, Mr Farrington introduced the Archibald Kindness Challenge.

Pupils are challenged to demonstrate and then record their acts of kindness throughout the term on their kindness challenge grids.

Mr Farrington will collect in the completed grids later in the term and will draw prizewinners from those completed.

Ask someone how they are feeling and listen to their reply.	Tell someone what you liked about their work today.	Listen to someone without interrupting them.
Wait and give someone time today when they need it.	Set a good example for others to follow today.	Ask someone standing alone if they would like to talk or play.	Pick up 3 things that fell on the floor and put them in the right place.	Put someone's coat back on a peg if you see it has fallen off.	Wish 3 people a good evening before you leave for the day.	Return something to the person it belongs to or who needs it.
Help someone else to give an answer in class today.	Tell an adult which other pupil has been kind to you today.	Do a job that will help someone else today.	Smile and say hi to 3 people not in your class today.	Tell someone how they are a good friend.	Smile at everyone.	

It is very important that children stay with the adult picking them up at the end of school.

As the school site is so busy younger children should hold the adult's hand so the adult knows where they are at all times.

The end of school is not a playtime and pupils must not be running around in the playgrounds, playing on equipment or elsewhere on the school site. Please leave the school site promptly at the end of school. Gates are locked at 3.15pm.

## ATTENDANCE CHALLENGE

Each week all pupils with 100% attendance for the week are awarded an **Attendance Challenge Token** which they then place in our token jars. There is one token jar for EYFS, one for KS1 and one for KS2.

At the end of each half term, we choose tokens from each jar. Pupils who have their name drawn are able to choose prizes from the attendance prize box. Last week we had **310 pupils** with 100% attendance for the week!

Each will receive a token to place in their token jar. Well done!

## Archibald Attendance Aces

Our Archibald Attendance Aces are pupils with 100% attendance for the term. At the end of the term all pupils who are Attendance Aces receive a special treat. Last Monday our Attendance Aces for Autumn Term 2025 attended a special New Year Party.

We currently have **310 pupils** in our Attendance Aces Club for Spring Term 2026.

## Helpful Hints for Top Attendance

- Unless they are too ill to attend school, **all pupils should be in school, on time every day.**
- Whenever possible **medical appointments should be made outside of school times.** If a pupil has a medical appointment in school time you should provide the school with evidence. There is no need to stay off school all day for a medical appointment. If possible, your child should come into school at the start of the day to get an attendance mark for the morning session, and then return to school after their appointment.
- Pupils should not stay off school on their birthday.**
- A leave of absence form must be completed for holidays.** The school cannot authorise holidays in term time – such absences will be classified as unauthorised.
- Our Attendance officer is here to help.** If you are struggling to get your child/ren to school on time, please contact school

FOR PARENTS OR CAREERS WITH CHILDREN

FROM BIRTH TO 2 YEARS

Do you have a child aged 0 years to 2 years, or a child who does not  
get to spend much time with other children of a similar age? Do you  
want an opportunity to get together with other mums and dads and  
carers with similar aged children in a relaxed, fun, engaging  
environment? If so then please think about joining our Rhyme Time  
sessions. Sessions take place at 9am each Tuesday at KFC  
Foundation, Meath Street.

For more information, please see posters around school or speak to  
Mrs Hill, Mr Cowgill, or the school office.

**Sessions take place every Tuesday**

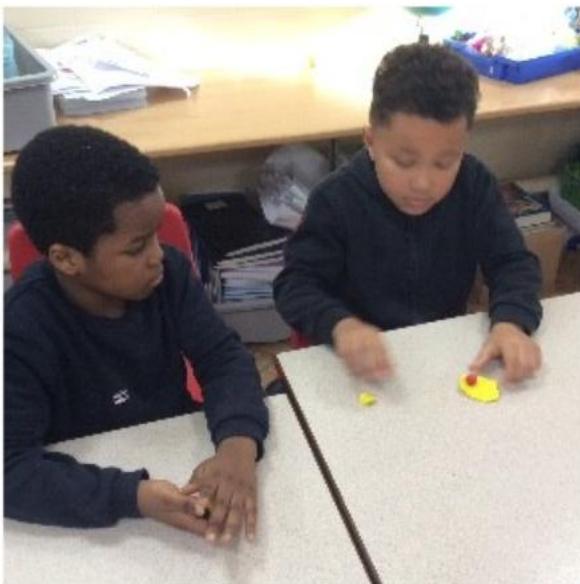

## Celebrating Achievements

Congratulations to Zara from Y1  
Class 3 who is celebrating  
success in her first showjumping  
competition.

Despite also being the youngest  
competitor Zara managed to take  
second place!  
Well done Zara!

# Focus on Geography

Here are the Class 8 Geographers who kick started their Geography learning context of Rocks, Rumbles and Volcanoes last week by creating the Earth using plasticine. They looked at the different layers; inner core, outer core, mantle and crust. Then cut the plasticine Earth in half to see the inside.

## ENDEAVOUR ACADEMIES - FAMILY SUPPORT WORKER

Hours: 37.5 hours per week – term time only plus 5 training days

Salary: NJC Scale Point 13-15

Actual salary: £25,197 – £26,029

Endeavour Academies Trust is seeking to appoint a Family Support Worker to work across both of our schools, Macmillan Academy and Archibald Primary School. As a Family Support Worker, you will play a crucial role in supporting our children and families in making the most of their education and time at school. The Family Support Worker will work alongside key staff, children, families and external agencies to encourage positive attitudes towards keeping children safe, great attendance and successful education.

This is a varied and rewarding opportunity to support our children and their families and to work as part of a great team. If you think you have the qualities we are looking for, we would very much like to hear from you.

**Closing Date: Monday 26 January 2026**

**Interview Date: To be confirmed**

Completed application forms should be returned to Human Resources, Macmillan Academy, Stockton Road, Middlesbrough, TS5 4AG or by email to [recruitment@macademy.org.uk](mailto:recruitment@macademy.org.uk).

For more information, person specification and Job description, please refer to the school website, Click [HERE](#)

# FAMILY FOCUS PROJECT OFFER

Many families in our community are feeling increased pressure from rising household costs this time of year.

To help, The Junction Foundation is offering a **FREE budgeting and money management course**, along with **shopping vouchers** for parents in Middlesbrough.

Please see information and contact details below and to the right.

## Need a bit of extra support? We're here for you and your family

Life can be tough—but you don't have to go through it alone.

Our one-to-one support is personal, friendly, and built around you. You'll be matched with a dedicated Project Worker who'll listen, understand, and help you take small steps toward positive change.

We'll support you at your pace, without judgement, and always with your strengths in mind.

You might find this helpful if you're:

- Struggling with money or housing
- Feeling alone with no support
- Dealing with health or wellbeing challenges
- Looking to build confidence or get into work or learning

We're here to walk alongside you—every step of the way.

We are sharing the information below on behalf of Teesside University.

School of Health  
& Life Sciences

## Teesside University Eye Clinic

### Binocular Vision & Visual Stress

#### Helping You See And Learn More Comfortably

Our Binocular Vision and Visual Stress Clinic provides specialist assessments for children, young people, and adults who are experiencing difficulties with tasks such as reading and writing. We assess how well the eyes focus (accommodation) and work together at near (convergence). Where these are normal, we can also carry out visual stress testing to explore other visual factors that may affect reading comfort and performance. We will then work closely with you to explain the results in a plain, easy-to-understand language and outline any next steps. With your consent, we can then share these results with teachers, SEND staff, or other professionals supporting you or your child.

#### Who Is The Clinic For?

This clinic may be suitable for:

- School-age children who find reading, writing, or close work difficult or tiring
- Young people or adults who experience visual discomfort during study or work
- Anyone referred for a dyslexia assessment who needs a vision check beforehand
- Patients advised to have further vision testing by a teacher, SEND staff member, optometrist, educational psychologist, or other health professional

#### How To Book

For patients/parents to book an appointment

For professionals to refer a patient

Please email [eyes@tees.ac.uk](mailto:eyes@tees.ac.uk) with all enquiries or to book an appointment

#### A Request from Middlesbrough Council SEND Team

#### **Are you a parent of a child in Reception or Year 1?**

We need your help - please help us to make positive changes for children who are transitioning from nursery to reception.
