## World Book Day 2026

World Book Day 2026 takes place on Thursday 5<sup>th</sup> March

This year, the theme for World Book Day is to **find enjoyment in your reading**.

### Dress Up!

We would like to celebrate the day by encouraging pupils to come into school dressed as their favourite character from a book. This is one of our most popular dress up days and each year we are blown with the imagination that many pupils and families put into their costumes for the day.

Please be aware...

- Pupils do not have to dress up if they do not want to (some pupils do not like dressing up)
- There is no requirement to buy or order expensive costumes. There are many great ideas online that cost nothing or very little to put together. For some ideas, check out mumsnet '78 Easy World Book Day Costume ideas webpage (Click [HERE](#))

### Book Voucher

Each child will receive a £1 book voucher that can be swapped for one of many specially written World Book Day books, or used for a £1 discount on many other books.

For information on the range of book available, please visit the World book Day 2026 website [Click [HERE](#)].

See below for some options.

### ATTENDANCE CHALLENGE

Each week all pupils with 100% attendance for the week are awarded an **Attendance Challenge Token** which they then place in our token jars. There is one token jar for EYFS, one for KS1 and one for KS2. At the end of each half term, we choose tokens from each jar. Pupils who have their name drawn are able to choose prizes from the attendance prize box. Last week we had **319 pupils with 100% attendance for the week** – Each will receive a token to place in their token jar. Well done!

### Archibald Attendance Aces

Our Archibald Attendance Aces are pupils with 100% attendance for the term. At the end of the term all pupils who are Attendance Aces receive a special treat. at the end of the Spring Term 2026.

We currently have **188 Archibald Attendance Aces** - pupils with 100% attendance for this term.

### Celebrating Attendance

- Last week we had 319 pupils with 100% attendance for the week. This includes 62 pupils who have 100% attendance for the school year to date
- We currently have 223 pupils in the green attendance band – attendance for the school year at 96% or above. That is 16 more than last week – well done!
- Last week 261 pupils (64%) had improving attendance rates from the previous week
- 25 Attendance postcards were presented

### ATTENDANCE TARGET

The Department for education have set our school attendance target for the 2025-2026 school year to be **at least 93.8%**. We are just over half way through the school year and currently 0.2% away from this target – well done everyone!

## Cosy Bedtime Reading Session

### Nursery

This half term, we have been learning about daytime, night-time and bedtime routines. We would love for you to join us in Nursery to get cosy and read some bedtime stories to your child.

**Tuesday 17<sup>th</sup> February**

Parents are invited to join us for the last hour of Nursery to share stories and cuddles with their child at the following times:

10.30am for morning children

2.00pm for afternoon and 30 hours children

Please wait at the Nursery door for entry.

Children are welcome to come into Nursery wearing their pyjamas with a blanket, their favourite book/books and a teddy to cuddle.

We can't wait to see you there...

## COMMUNITY WORK IN PARTNERSHIP WITH KFC YOUTH FOUNDATION

The Archibald Girls Rising Group attended a special session at the KFC Foundation Hub on Friday 6<sup>th</sup> February. The girls made cookies and played a truth or trick game - testing their skills in problem solving and communication.

The sessions will continue in school each Friday, with a further session at the Hub in the next few weeks.

# Focus on Geography

The Class 8 Geographers have continued their learning context of Rocks, Rumbles and Volcanoes.

Last week they were learning about earthquakes. They learnt about what earthquakes are and where they occur. They used a jelly to represent the earthquake and a Munchie to represent the buildings and structures in a place.

They shook the jelly at different intensities to represent the different levels of the Richter Scale and looked carefully to see what happened to the buildings and structures.

# Y3 Craft Club

Here are the children from Craft Club proudly showcasing their fantastic creations from this term. They have thrown themselves into every project with creativity, patience and imagination. It has been wonderful to see their confidence grow as they experimented with different materials and techniques. Craft Club has been full of laughter, teamwork and a real sense of pride in what they have achieved.
