PARENT AND CARER QUESTIONNAIRE OUTCOMES

Thank you to all the parents and carers who completed and returned questionnaires last term.

We are always looking to improve and will be working to address any identified areas over the coming term.

Here are the outcomes of the survey:

98% of parents and carers strongly agreed or agreed that their child is happy at school.

99% of parents and carers strongly agreed or agreed that their child feels safe at school, with **98%** strongly agreeing or agreeing that the school has procedures in place to keep their child/ren safe including at the start and end of the school day.

97% of respondents strongly agreed or agreed that the school makes them aware of what their child will learn during the year with **99%** agreeing or strongly agreeing that they are informed how well their child is doing and the same percentage - **99%** strongly agreeing or agreeing that their child does well at the school.

97% strongly agreed or agreed that there is a good range of subjects available at the school, with **96%** strongly agreeing or agreeing that the school supports their child's personal development.

97% of parents and carers who responded strongly agreed or agreed that they would recommend Archibald Primary School to another parent.

Thank you for your continued support.

It is very important that children stay with the adult picking them up at the end of school.

As the school site is so busy younger children should hold the adult's hand so the adult knows where they are at all times.

The end of school is not a playtime and pupils must not be running around in the playgrounds, playing on equipment or elsewhere on the school site. Please leave the school site promptly at the end of school. Gates are locked at 3.15pm.

ATTENDANCE CHALLENGE

Each week all pupils with 100% attendance for the week are awarded an **Attendance Challenge Token** which they then place in our token jars. There is one token jar for EYFS, one for KS1 and one for KS2.

At the end of each half term, we choose tokens from each jar. Pupils who have their name drawn are able to choose prizes from the attendance prize box. Last week we had **310 pupils with 100% attendance for the week** Well done! Each will receive a token to place in their token jar. Well done!

Archibald Attendance Aces

Our Archibald Attendance Aces are pupils with 100% attendance for the term. At the end of the term all pupils who are Attendance Aces receive a special treat. at the end of the Spring Term 2026. We currently have **242 Archibald Attendance Aces** - pupils with 100% attendance for this term.

Helpful Hints for Top Attendance

- Unless they are too ill to attend school, **all pupils should be in school, on time every day.**
- Whenever possible **medical appointments should be made outside of school times.** If a pupil has a medical appointment in school time you should provide the school with evidence. There is no need to stay off school all day for a medical appointment. If possible, your child should come into school at the start of the day to get an attendance mark for the morning session, and then return to school after their appointment.
- Pupils should not stay off school on their birthday.**
- A leave of absence form must be completed for holidays.** The school cannot authorise holidays in term time – such absences will be classified as unauthorised.
- Our Attendance officer is here to help.** If you are struggling to get your child/ren to school on time, please contact school

FOCUS ON SCIENCE

Year 4

In Science last week Y4 pupils investigated changing states.

They changed a solid chocolate button into a melted liquid chocolate button.

They each decided on the method of how they would melt them in their hands - and all ended up quite sticky!

ARCHIBALD PRIMARY SCHOOL

Working in Partnership with KFC YOUTH FOUNDATION

We are delighted to be able to work in close partnership with KFC Foundation in order to help improve the life opportunities of our pupils through a number of programmes.

Girls Rising

The Girls Rising Group meets each Friday afternoon with Youth Mentors from KFC Foundation. They are now starting to work on themed sessions – each week has a different theme.

A few weeks ago, the theme was role models! The girls had a think about what makes a good positive role model and through a matching game they were introduced to some positive female role models from around the world. They finished by thinking of a role model they have in their lives and writing some words and reasons about them and why they are so positive.

Last week the focus was on speaking in front of people. The girls took part in an 'agree to disagree' game where they debated with the others about their opinions, they then all spoke in front of the group about a random topic chosen by the group leader, Ellie - they had to speak for 1 minute without breaks all while the other girls were holding up encouraging signs with words of encouragement on. They all took part in this and did really well speaking with confidence.

KFC Youth Foundation Youth Club

A large number of our older pupils attend the Youth Club at KFC Foundation Hub in Meath Street. They are involved with an exciting collaborative project aimed at young people having a direct role in shaping the environment around them. The pupils will work on designing placemaking furniture which will be ultimately fabricated and used at special events throughout the regeneration of the TS1 area.

Mentoring

We have a number of Y6 pupils who are mentored by KFC Foundation Mentors to help them make effective transitions from KS2 into KS3.

Rhyme Time

KFC Foundation Hub at Meath Street hosts our weekly Rhyme Time sessions. If you have a baby, or toddler ages 0 years to 4 years you are welcome to join a fun, collaborative interactive session with other children and parents /carers from 9am each Tuesday morning.

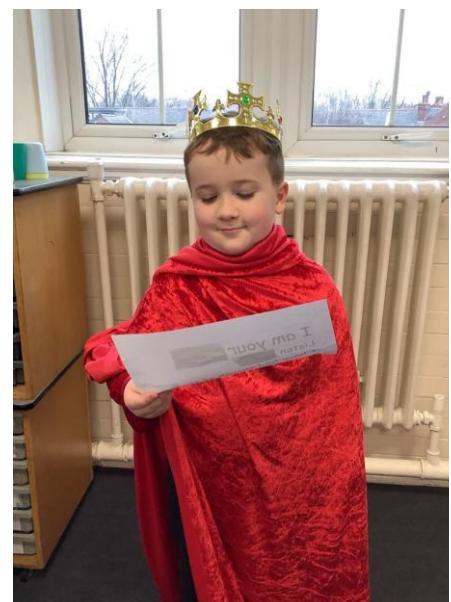

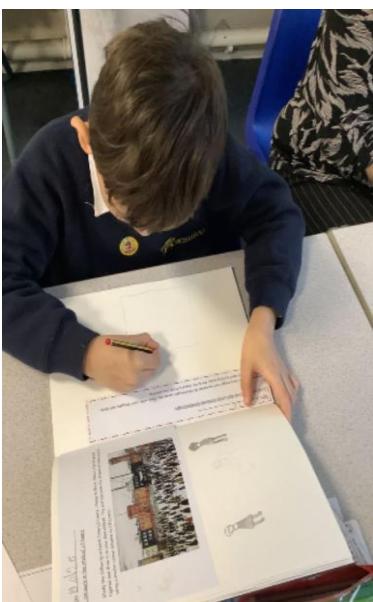

CLASS 10 GREAT WORK

The Y3 and Y4 pupils in Class 10 have made a great start to 2026!

In Art, they are studying the work of L. S. Lowry, who often created artwork inspired by industrial landscapes. As they live in an industrial area, they decided to create a collage using images that represent Middlesbrough.

In English, they have been studying Romeo and Juliet, focusing on the fighting between the Montagues and the Capulets. Last Friday, the children became Prince Escalus, who had grown tired of the violence and delivered a speech to the people of Verona to restore peace.

Look at their great work below.
